## DUTIES OF HOSTS

As members of Texas Travelers you are required to serve at least one weekend a year as hosts. These duties begin Friday and end after the devotional on Sunday morning. If you are unable to host for the time you signed up, it is your responsibility to find someone else to fill in for you.

Beginning on Friday morning one of the hosts should make both decaf and regular coffee from the Chapter supplies by 7:30 a.m. in the recreation hall. He or she will also ensure that cream, sugar, artificial sweetener, stirrers, and cups and any other necessary supplies are set out for use. The coffee should be available all day Friday & Saturday. In addition, the hosts should set up a snack table no later than Friday.

The hosts shall also make arrangements with a local restaurant for the group meal on Friday evening. They shall communicate the location and time of departure to all Members attending.

All during the weekend, the hosts are responsible for setting up tables and chairs in the configurations needed for the various activities (games, meeting, dinner, entertainment, etc.) At the business meeting on Saturday morning, the hosts need to be prepared to specify when the hall should be cleared for set up and optional decorations, and what time dinner will start. The hosts also need to provide ice and make tea for the Saturday evening meal.

During the weekend as needed, the hosts shall clean up the tables and kitchen. All decorations must be removed Saturday evening and all Chapter supplies should be re-packed. The coffee maker should be cleaned and stored in the boxes provided and packed inside the container.

The hall must be set up for the Sunday morning devotional prior to the specified meeting time, usually on Saturday night. The floor is to be swept and the hall set up (tables & chairs) as it was when our Chapter arrived.

All Chapter supplies including the coffee maker should be passed on to the hosts for the following month, or arrangements made as needed to accomplish this before the next Campout.

## CHAPTER SUPPLIES

The following supplies will be maintained in the manner agreed upon by the Chapter.

The hosts should note any supplies which need to be replenished and advise the next month Host.
